**Coolers are permitted, but you must provide your own ice.

The Dallastown Football Booster Association is a non-profit organization which raises funds to help supplement the Dallastown Football Program. The Booster Association supplements the program through the purchase of practice equipment, weight training equipment, and training apparel. The costs associated with transportation to various special events for football players and cheerleaders are also supported through the Booster Association. Two of our biggest contributions are helping families by off-setting the cost of a summer team camp and awarding four scholarships worth \$2,000 to graduating players and cheerleaders.
